ALERT

If you are a CPD Leader in a school, then you may already have a user account on this site, since most were set up before the site went live. If this is the case, just type in your first and last name (all lower case) with a space between them, and click on "forgotten password". You will then receive your password by email. You will have been set up with CPD Leader permissions, so will be able to request places for other staff in your school (see detailed instructions on the Schools & FE home page news item "**Booking places on behalf of colleagues - help page**").

Alternatively, you will get a message to say that you have no account, in which case, you can click on "new user" and create a new account. If you are a CPD Leader, you will need to email LISevents@suffolk.gov.uk to ask us to set you up as such.
